Abs-Track New Member & Prospect Guide

From first visit to becoming a client

Persona: Prospect / new enquiry / newly provisioned member (no plan yet)
Base URL: http://localhost:3010
Generated: 7/26/2026

1. Discover Abs-Track

Prospects start on the marketing site, learn the philosophy, and take the qualifying quiz.

Steps:

1. Visit the landing page
2. Optional: browse self-paced programs at /programs (no sign-in required)
3. Optional: read the philosophy pillars
4. Start the qualifying quiz

2. Complete the quiz (new enquiry)

Quiz answers create a lead record visible to the coach under New enquiries.

High-intent outcomes may route to Cal.com booking (when configured).

Steps:

1. Open /quiz
2. Answer goal, struggle, diet, location, and commitment questions
3. Enter email if prompted
4. Submit — your enquiry appears in the coach Members !' New enquiries tab

3. What the coach sees

Coach reviews quiz submissions and member leads before onboarding.

Steps:

1. Coach opens /coach/members
2. New enquiries tab shows quiz submissions (email, intent score, goal)
3. Coach converts lead to active client and fills profile at /coach/members/{id}

4. Create your account (production)

After coach invites you, sign in with Google to create your member account.

First Google sign-in auto-provisions a member record (empty profile, no plans until coach publishes).

Steps:

1. Open /login
2. Click Continue with Google
3. Use an email that is NOT in the coach allowlist
4. You arrive at /member with a blank dashboard until plans are published

5. Local dev — simulate new member

Steps:

1. Open /login?switch=1
2. Click Member — New (no plans)
3. Dashboard shows empty state until coach publishes plans
4. Alternatively complete /quiz to create a coach-only lead enquiry

6. After onboarding

Once the coach publishes training and nutrition plans, use the Member User Guide for daily workflows.

Coach may post an optional note on Settings — it appears on your dashboard when active.

Log food in Nutrition even before your first plan is published.
